Travis, I have tried calling you several times today.

Attached is a letter from Chair McCollum asking EPA to immediately give her the documents discussed at last week's hearing. We are dropping this in the mail now.

I had been hoping to avoid needing to send this letter, and that we could have come to an understanding.

Let's plan to talk tomorrow at 3 pm.

I'd like to talk to someone today. It is in regards to Mr. Wheeler's testimony before the subcommittee last week on PolyMet.

We are aware that EPA filed a response in the DC District Court to a FOIA lawsuit stating that it has the documents that were the subject of Chair McCollum's questions.
